MoUs with Japan in IT

154. SHRI K. RAMA MOHANA RAO: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether it is a fact that India and Japan have decided to develop information and communication technologies together;

(b) whether it is also a fact that a meeting was held recently between India and Japan and some MoUs were also signed in this regard;

(c) if so, the details of MoUs signed by India and Japan; and

(d) the areas that have been identified by both the countries and the benefit that India is going to get out of these?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) Yes, Sir.

(b) and (c) Yes, Sir. A meeting of the India-Japan ICT Forum was held on 24th August, 2005, at New Delhi during which a Joint Statement was signed between India and Japan for bilateral cooperation in ICT sector. Besides this Joint Statement, the following MoUs have also been signed for technology development and R&D cooperation:—

(i) MoU between C-DAC and NICT of Japan

(ii) MoU between C-DOT and NICT of Japan

(iii) MoU between IIT (Guwahati) and NICT of Japan

(d) The Scope of Cooperation between India and Japan in the ICT sector is as follows:—

(i) Joint Collaboration in R&D and standardization in ICT sector

(ii) HRD in ICT sector

(iii) Joint collaboration in E-Governance development

(iv) IT enabled services

(v) E-Commerce and Information Security

(vi) IT and Communication software

(vii) Exchange of information on Telecom Policy, regulation, technical issues and sharing of experience

(viii) Exchange of services of experts for telecommunication and allied fields

(ix) Cooperation for rural telecommunication

(x) Ubiquitous Network Society

(xi) Other areas as mutually agreed upon by the parties.
